

## **Brookwood Church Celebrate Recovery Photo & Media Release**

I, \_\_\_\_\_, understand that regular promotion and outreach is vital to the growth of the Celebrate Recovery ministry at Brookwood Church. By signing this release, I agree that my photo may be taken and used in Celebrate Recovery's social media, any church publication, as well as any newspaper or other outside media publication. I understand my name may be used in identifying me in such reproductions without compensation to me.

I also understand it is the policy of Brookwood Celebrate Recovery to protect my personal reasons for attending and participating in Celebrate Recovery unless I give permission to do so for a specific purpose (such as testimony promotion), but not the fact that I am involved in Celebrate Recovery.

I understand that by signing, my consent and this release is binding.
