

Family Talk – New Speech

READ TOGETHER

Colossians 4:2-6

1. What does Paul mean when he says devote yourselves to prayer?
2. What are specific things he tells us to do?

LIVE IT

If we are living in a relationship with Christ, how does that affect how we live? Paul asks us to pray for opportunities to talk about Christ with clarity, grace and power.

As a family, discuss praying for opportunities, and see who God brings you. Create a plan to prepare for the people God will bring.

LEAN ON GOD

Dear God,

Bring me someone who needs to hear about Christ today. Help me share the truth in a loving way so they will want to seek You. Give me Your words to share what You've done for me. Help me to love others the way You love me.

In Jesus' name, Amen.
